2. Click on **CRIMINAL SEARCH**.

3. You can search by **Case Number** or **Defendant's Name**. If you search by a Defendant's name, include as much identifying information as possible (for example, date of birth).

4. Then click on **Submit Search**.

5. The website will display the case number specified or a list of Defendants by name. Select the case from the list by clicking on the case number, or click the Defendant's name for a list of cases.

6. Next, click on **Docket**.
