

CUYAHOGA COUNTY OFFICE OF THE PUBLIC DEFENDER
Chief Public Defender – Cullen Sweeney

Dear perspective students,

The Public Defender Office is committed to the learning and development of up-and-coming professionals in the area of indigent defense. Our Office continually hosts students in the Social Work field and also students in law school.

We are happy to discuss any opportunities available within our office with a perspective student. Ideally, we ask that students submit their applications at least 4 weeks prior to the start of a semester to allow for an interview with a supervisor and enough time to process personnel paperwork.

Our learning experiences within the office can be for internship or externship credit for school or a paid law clerk internship experience at the rate of \$15.00/hour. Please indicate in your application materials the path you are seeking.

Please submit the attached application and resume to Ashley Stebbins, astebbins@cuyahogacounty.us and we will review your materials. If you have any questions, please do not hesitate to reach out.

Thank you,

//s// Ashley Stebbins
